

Plate umpire

Runner at 2nd base

1. Call fair/foul on grounders from home to front edge of third base bag and all the way at first base line.
2. Be ready to make call on runner on second coming into home.
3. If third base ump goes out, watch runner from second touch third and be in position to make call on him if he returns to third.
4. On an extra base hit, move up to make the call on the batter-runner at third.
5. On a grounder to infield, watch the batter-runner touch first if the runner at second is caught in a rundown.
6. Call fair flies taken by pitcher or catcher.
7. Call fly balls to right field if fielder moves to the foul line.
8. Call fly balls between home and first or third base bags or down the right field line.
9. Make all calls on runners advancing to home.
