

## Third base umpire

## Nobody on base

1. Move to position C on all grounders or base hits in order to make calls at 2<sup>nd</sup>. (Do not return to third when first base ump has batter-runner all the way to third.)
2. If first base ump goes out on a fly ball go to position C. If plate ump goes to cover third, be ready to cover home.
3. Call fly balls to center moving to his right or straight in, fly balls to left and flys and liners to SS or 3<sup>rd</sup>. Also take foul flys past 3<sup>rd</sup> base.
4. Call fair/foul grounders past front edge of bag and fly balls past 3<sup>rd</sup>. If pinned at third on a fair/foul call – STAY!
5. Watch for check swings on left-handed batters.
