Runners on 1st & 2nd

1. Move out on all batted balls and be in position to watch touch of third base by runner from second on a base hit. Be ready to retreat to home to cover play on runner from second.
2. Call catch/no catch on flies in which the left or right fielder moves toward his respective line.
3. Watch the tag at second on any ball hit to the outfield.
4. Call flies in which left fielder moves toward line.
5. Call fair/foul down both lines to the poles.
6. Call flies taken by pitcher or catcher.
7. Follow bunted balls all the way.
8. Move to make call on runner from second advancing after a caught fly ball UNLESS ruling on a ball down the right field line.
9. On base hits, move to watch runner from second touch third and be ready to take him to home.
10. Be prepared for call at third if it is the second play in the infield UNLESS first runner is going home.
