

Plate umpire

Runners on 2nd & 3rd

1. Be alert to steal, passed ball, squeeze play and play on runners coming to plate.
2. Move to line up tag on runner at third during catch by outfielder.
3. Call fly balls on which the right fielder moves to foul line.
4. Call flys taken by catcher/pitcher or down either line and all foul balls and any fly to the left or right fielder when he is moving toward his respective line.
5. Call fair/foul all the way down both lines.
6. With two outs, be alert for a time play situation involving runner at second and the batter-runner. Watch the play on runner from second and listen for partners call if runner from third scores before the third out.
7. On a ground ball in the infield with the first play at first, move up the line toward third and watch first runner touch home then get into position for next call at third.
