

1. The lineup card has 10 starting players.
2. The DP bats in any spot 1-9 and may play defense.
3. The defensive player (flex) is listed in the 10 spot and may bat only for the DP.
4. The batting order cannot change.
5. If the DP is put on defense for anyone other than the flex both players still bat.
6. If the DP is put on defense for the flex, the flex is out of the game but can re-enter.
7. The flex player can be put in to bat or run only for the DP. The DP is then out of the game but can re-enter.
8. The DP and Flex can never play offense at the same time.
9. If the DP or the flex is out of the game, there are only 9 players in the lineup.
